Minor Massage Consent Form (must be filled out in addition to health intake)

I, _____, verify that I am the minor child's legal parent/guardian. If my child is under the age of 18, this consent form must be signed and on file for my child to receive massage. If my child is age 15 or under, I must remain present in the room with my child for the duration of the massage. I understand that children under the age of 13 may not be ready for a full hour of bodywork. If my child is under the age of 13, I will call Heather James, LMBT #10296 at (919) 923-6261 to set up a massage session directly with her. I further understand that the child is in control of their massage experience, and I am present to be their support person. The child, parent or therapist may terminate the session at any time. I understand that all measures will be taken to ensure my child's comfort and security.
